Bravo Insulated Tray System

Models S518PA and T517P-T519P

Servers and covers that work together to help you deliver better meals

Aladdin's uniquely designed meal-delivery systems use the thermal zone principle (temperature retention within the individual serving compartments) to maintain hot and cold temperatures.

Once the meals leave the kitchen, no additional energy is required. Systems are available in a variety of configurations to accommodate any menu, with space for utensils and beverages.

Walled compartments and covers reduce spillage and stabilize dishes during transport, especially when delivering to satellite locations. A variety of reusable and disposable dishes are available to meet specific serving requirements. Available in multiple colors, the lightweight, compact design of our insulated trays enables delivery on flatbed or denested carts, which are also available from Aladdin!

Bravo features beautiful and functional styling with a 9" (22.9 cm) round entrée dish compartment for traditional service, and room for larger serving portions. Uses china or disposables (available from Aladdin), and accommodates a full select menu.

Walled cavities protect food, reduce spillage and provide for stationary dish placement. Bravo has easily distinguishable compartments for quick and easy tray assembly.

Standard features:

- Modern, contoured design compliments every tray.
- Round entrée dish for traditional service and larger serving portions.
- Wing accommodates two beverage mugs.
- Use disposables, china or other reusable dishes.
- Walled compartments reduce spillage and stabilize dishes.
- Fully foam insulated.
- Designed for easy cleaning.
- Stackable, space-saving design for storage.

Shown: Bravo server in Ivory (S518PA); partial cover in Teal/Ivory (T517P). Reusable china 9" entrée plate in Ivory (J300); disposable dishes (A05A); Allure® 8-oz. insulated mug in black (ALM370); 7.4-oz. Dimensions® squat tumbler (DMT210).

Item	Sales Code	Pack Size	Color	Dimensions			
				Height	Width	Length	Nested Height*
Server	S518PA	10	Ivory/Ivory	1.6" (4.1 cm)	12.8" (32.5 cm)	20.5" (52.1 cm)	1.4" (3.6 cm)
Partial Cover	T517P	10	Teal/Ivory	2.4" (6.1 cm)	12.8" (32.5 cm)	16.4" (41.7 cm)	1.4" (3.6 cm)
Partial Cover	T519P	10	Mauve/Ivory	2.4" (6.1 cm)	12.8" (32.5 cm)	16.4" (41.7 cm)	1.4" (3.6 cm)

* Height of the outside dimensions of individual servers and covers when stacked in a multiple set. Server/cover combined height is 3.8" (9.7 cm)
