

## Room Service Tray Drying/Transport Rack Model RSTDR54

The RSTDR54 room service tray drying and transport rack from Aladdin Temp-Rite is designed to facilitate proper drying of room service trays after warewashing. The rack's welded frame and 3 wire form shelves are made from durable and corrosion-resistant stainless steel for long service life.

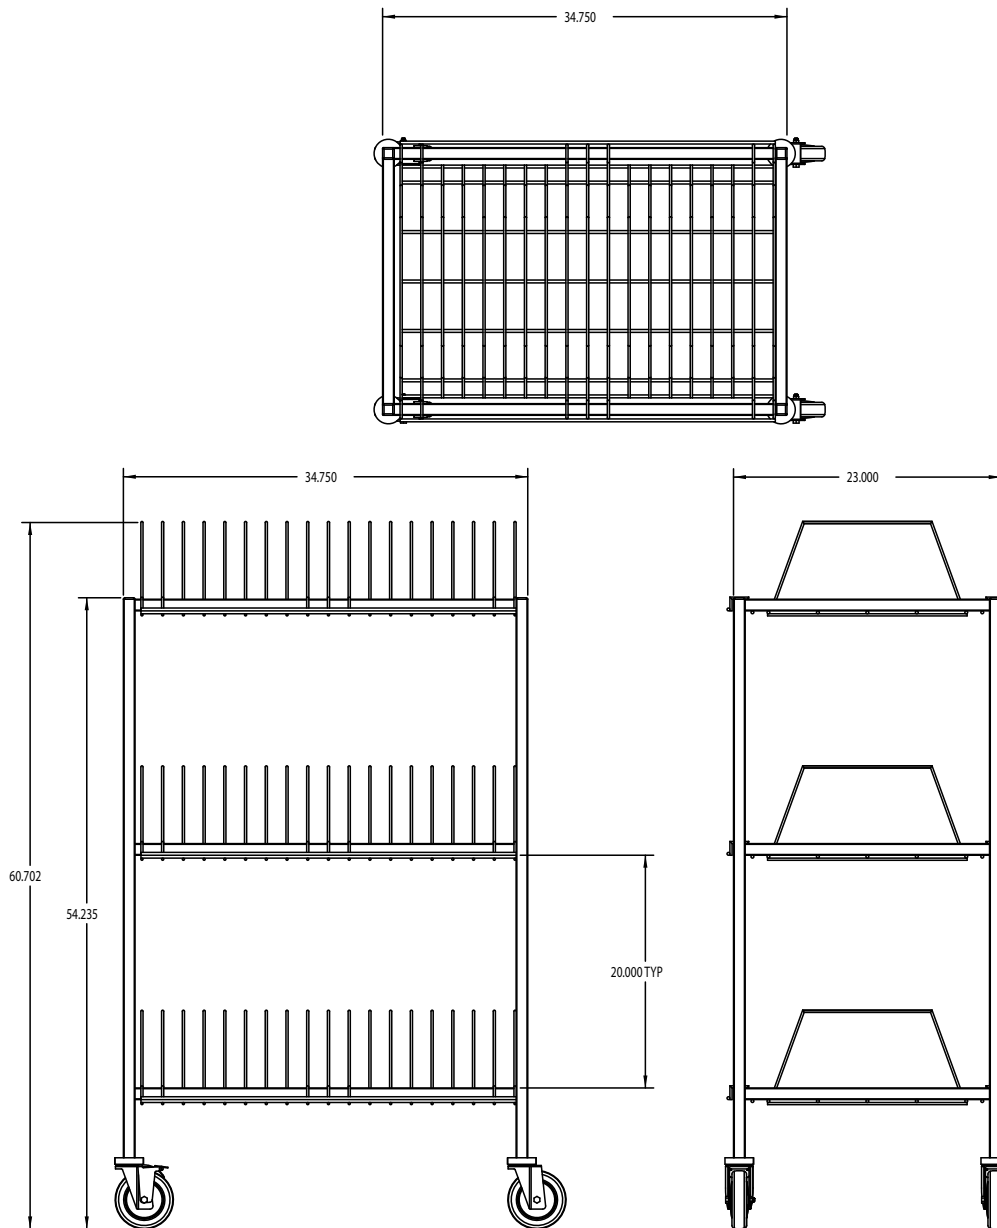

### Standard Features

- 54-tray total capacity (18 trays per shelf).
- Welded stainless steel tube frame is durable yet lightweight.
- Stainless steel wire forms for maximum strength and corrosion resistance.
- (4) 5-inch swivel casters (2 equipped with locking brake).
- Designed for easy insertion and removal of trays.
- Easy to clean.
- Made in the USA.
- NSF Listed.
