

Ready-Chill® Base Racks

Model RC7R144 For 7-3/4" Bases (RCB100)

Model RC9R120 For 9" Bases (RCB200)

Ready-Chill® base racks provide a practical and convenient way to store and transport Ready-Chill® bases. Special wireform designs enable model RC9R120 holds both 9" or 7-3/4" base sizes.

Durable, stainless steel construction is combined with plastic-coated shelving specially engineered for the durability required for movement into and out of freezer and ambient temperature environments.

Standard Features
Design/Construction Specially designed to fit Aladdin Ready-Chill® bases RCB100 (7-3/4") and RCB200 (9") for use in a freezer environment. <ul style="list-style-type: none"> • Capacity: Model RC7R144 holds 144 RCB100 (7-3/4") bases; Model RC9R120 holds 120 RCB120 (9") bases or 120 RCB100 (7-3/4") bases. • Frame: Durable, stainless steel frame construction; frame includes 1" (2.54 cm) square stainless steel tubing. Welded construction adds strength and durability. • Shelves: Four metal wireform shelves are included. Shelves have a white PVC coating to protect surfaces and provide a soft interface with bases. • Casters: Four 5" (12.7 cm) swivel casters are mounted to corner brackets on the cart base. • Engineered Fit: Created to fit into most standard roll-in and walk-in freezers.
Ease of Use <ul style="list-style-type: none"> • Mobile, lightweight and easy to maneuver. • Small footprint storage racks maximize product storage per square foot. • Designed for easy, efficient storage of Ready-Chill® bases. • Ergonomic design. • Durable and easy to clean. • No assembly required.

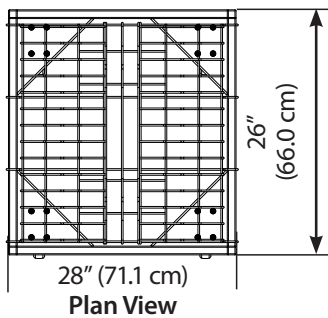

9" Ready-Chill® base rack (model RC9R120) shown

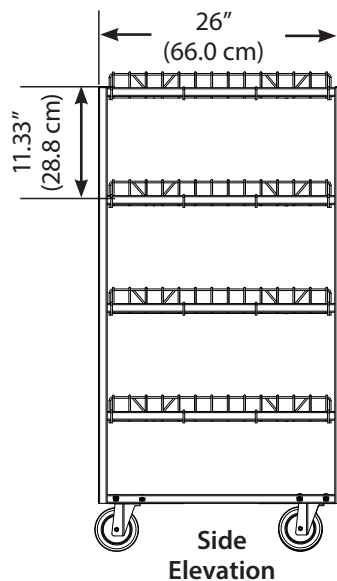

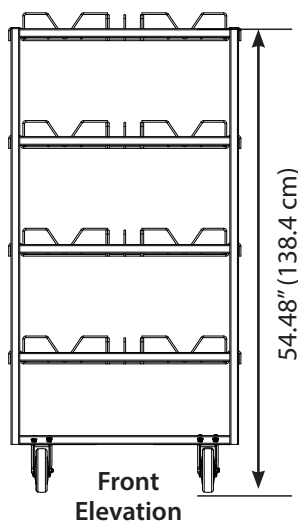

The Ready-Chill® cold-food system is available in two base sizes to meet every mealtime need, from large entrée items to smaller serving sizes.

Ready-Chill® Base Racks
