## Universal Storage Racks

### Models USR60, USR120

USR Series storage racks provide a convenient and practical way to store and dry a variety of domes and bases.

Stainless steel wire shelves are designed specifically for Aladdin products are included – but we don't stop there. Extremely versatile in their design, our multi-purpose storage racks accommodate a variety of product types, including products from other manufacturers.

Use USR Series storage racks for:	
<b>Domes</b>	Allure® 9" entrée domes
	Essence™ 9" entrée domes
	Radiance™ 9" entrée domes
	Dimensions® 9" high-heat domes
	Most 9" domes
<b>Bases</b>	Heat On Demand® 9" induction bases
	Most 9" insulated bases and base liners
	Insul-Max™ entrée bases
	Most stainless steel entrée bases
	Most base underliners

### Standard features

#### Design and construction:

- **Frame:** Durable, all-stainless-steel construction; unit frame includes 1" (2.54 cm) round stainless steel tubing. Cross supports are stainless steel "U" channel. USR120 model includes stainless steel rectangular tubing for added strength. The welded frame requires no assembly.
- **Shelf-supports:** 1" x 1.5" angle stainless steel shelf supports with wire insert locators.
- **Casters:** Four 5" (12.7 cm) swivel Poly-U/Poly-O casters with foot pedal brakes.

#### Ease of use:

- Small footprint saves space, maximizing product storage per square foot.
- Racks provide versatility by accommodating different types of products on single rack, optimizing point-of-use space.
- They're mobile, lightweight and easy to maneuver.
- Designed for easy, efficient removal of domes and bases during tray assembly.
- No assembly required.

**Model  
USR120**

**USR Series storage racks are extremely versatile!**

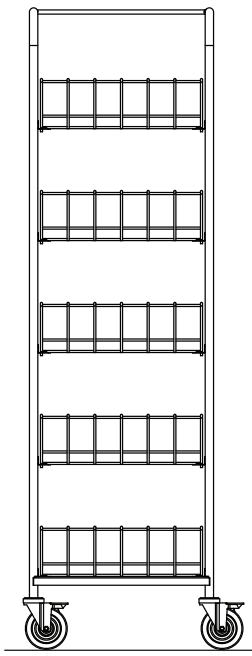

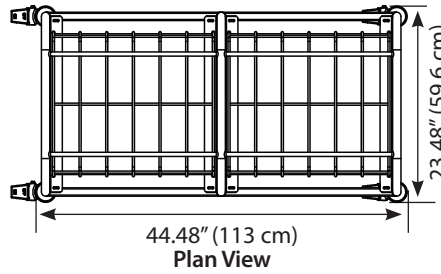

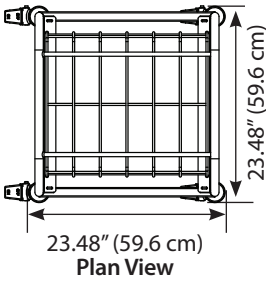

*They include removable wire inserts that accommodate most domes and bases.*
