Room Service Carts

Model RSPT20 and RSPT21

Aladdin's stainless-steel Room Service cart is a dependable and versatile helper for patient meal delivery and retrieval. It holds two trays per shelf, up to 12 trays per cart.

The two-door "pass-through" design makes loading and removing trays easy during tray assembly and delivery to patient floors. Removable stainless steel tray slides are easy to clean and make it easy to sanitize the cart interior.

Built from durable stainless steel, it offers years of trouble-free service. Its compact size makes it fast and easy to use, and provides a small footprint.

Standard features:

Capacity: 12 trays, 2 per shelf, side loaded.

RSPT20 fits tray sizes:

- 15" x 20" Aladdin Room Service Tray (RST1).
- 15" x 20" standard cafeteria tray.
- 15" x 20" Architectural Plastics tray (BA5HC-1).

RSPT21 fits tray sizes:

- 15.5" x 21.5" Architectural Plastics tray (BA5B).
- 15" x 21.5" Architectural Plastics tray (BA5HC-3).

Durable stainless steel construction.

Two-door "pass-through" design for easy loading and removal.

5-1/2" tray spacing.

Continuous door hinges for added strength and stability.

Magnetic catches hold doors tightly against the cart tank to reduce noise from vibration during transport.

Four 6" thermoplastic rubber casters; two fixed and two swivel, with brakes.

Non-marking corner bumpers protect surfaces.

3-sided round top rail in lieu of push handle.

Stainless-steel door handle.

Removable stainless steel tray slides for easy cleaning.

Dual opening for access to both sides, and holds up to 12 trays

Durable stainless steel construction

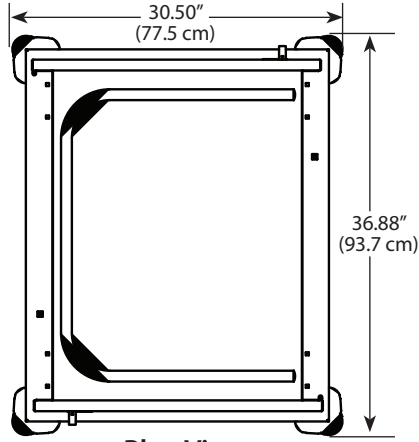

* Note: Available options must be specified when ordering. Specifications are subject to change without notice.
