

## Storage Racks Including Wash Racks

### Models SR50, SR100

SR Series storage racks provide a convenient and practical way to wash, store and dry a variety of domes, bases and insulated trays. Removable wash racks designed specifically for Aladdin products are included—but we don't stop there. Extremely versatile in their design, our multi-purpose wash racks accommodate a variety of product types, including products from other manufacturers.

#### Use SR Series storage racks for:

Domes	Allure® 9" entrée domes
	Essence™ 9" entrée domes
	Dimensions® 8" and 9" high-heat domes
	Most 9" domes
Bases	Heat On Demand® 9" induction bases
	Most 9" insulated bases and base liners
	Insul-Max entrée bases
	Most stainless steel entrée bases
	Most base liners
Insulated Trays	Aladdin Genie servers and covers

#### Standard features

##### Design and construction:

- **Frame:** Durable, all-stainless-steel construction; unit frame includes 1" (2.54 cm) round stainless steel tubing. Cross supports are stainless steel "U" channel. The welded frame requires no assembly.
- **Shelf-supports:** 1" x 1.5" angle stainless steel shelf supports includes ¼" high retainers which position wash racks on shelves.
- **Wash Racks:** Removable, universal plastic wash racks include wire rack inserts that accommodate most domes and bases are included.
- **Casters:** Four 5" (12.7 cm) swivel Poly-U/Poly-O casters with foot pedal brakes.

##### Ease of use:

- Small footprint saves space, maximizing product storage per square foot.
- Racks provide versatility by accommodating different types of products on single rack, optimizing point-of-use space.
- They're mobile, lightweight and easy to maneuver.
- Designed for easy, efficient removal of domes and bases during tray assembly.
- Versatile stainless steel frame accommodates most standard 20" x 20" wash racks.
- No assembly required.

Note: Specifications are subject to change without notice.
